The deposit is preferably done by credit card. Postal money orders and bank money transfers are not recommended because there are many problems with them like: delay on the transfer (about 10 days), high commissions on the transfer over the sender and the receiver, etc...

In case of cancellation, the deposits are non refundable. The prices shown in the "our prices" section have non refundable conditions and they don't allow changes 30 days prior to arrival. If the reservation is cancelled the deposit will be completely withhold as cancellation charge.

We also have free cancellation prices. For the free cancellation rates we charge as deposit for the reservation the total income for the reservation. This deposit is partially refundable in case of cancellation. If the reservation is cancelled more than 30 days before the arrival date the deposit is refunded completely. The cancellation charge if the reservation is cancelled 30 days

or less before the arrival date is one day on the rate and room type of the reservation. If the reservation is cancelled 7 days or less before the arrival date the deposit is completely withhold as cancellation charge.
